

"My early childhood was spent moving from town to town with my father's travelling theatre company. Little me became fascinated by the addictive aromas of the community kitchens and that became my early initiation into the Fine Art of Indian cooking.

My late husband, born a Prince of the Kingdom of Tripura, and I were fanatical music and food lovers, amassing recipes from roadside eateries to royal households during our worldwide concert tours. In my kitchens we promote Real Indian Food made with love from scratch. We seek out traditional cooking methods such as artisan bread making and the magic of home-made chutneys.

At Asha's we take regular field trips to visit the farms we source from, we celebrate nature's inherent perfection and use classic techniques to create our signature cuisine. In Mumbai I personally supervise the Spice Master grinding my family's traditional masala recipe which is featured in all of our kitchens worldwide.

This is my offering to you. My name Asha in Hindi means Hope. I truly hope you will enjoy my food, I extend to you the loving hand of hospitality and welcome you into my second home"
